

**Final
Minutes
Architectural Vendor Selection Committee
District Board of Trustees
Gulf Coast Community College**

March 2, 2011

8:00 AM

William C. Cramer Seminar Room

Present: Mr. Herman Daniels, Ms. Karen Durden, Mr. Dan Estes (Chair), Mr. Charles Isler, Mr. John Mercer, Dr. Steve Nettles (recording), Mr. Dennis Storck

Call to Order: Mr. Estes called the meeting to order at 8:43 a.m.

Purpose: The stated purpose of the current meeting was to select a final vendor for the continuing area contract for Architectural Services, based on the given presentations and question/answer sessions.

Review of Process: Mr. Estes outlined the methodology used to select a final vendor for the Architectural Services. In the selection process, key indicators considered include:

- Availability
- Scope of work
- Ability of professional personnel

College staff reviewed eight submitted proposals and invited the top four vendors to move into the presentation phase. Firms submitting proposals were:

- Archiscapes, LLC
- The Associates Architects, LLC
- Collins & Associates, Inc.
- DAG Architects, Inc.
- Florida Architects, Inc.
- Hatch, Mott, MacDonald Florida, LLC
- Kendrick, David, Dowling Architects, Inc.
- JRA Architects

Vendors were requested to submit a copy of their fee schedule and a sample contract (AIA Document preferred). Vendors were also asked to present a related sample project completed by the proposed staff. A discussion followed highlighting the importance of selecting a vendor that could serve the needs of the project without delaying construction timelines.

Interviews: Interviews consisted of 35 minutes for presentations and 15 minutes for a questions-and-answer period after each presentation. The following firms presented to the committee, utilizing this format.

- Archiscapes, LLC
- Florida Architects, Inc.
- Hatch, Mott, MacDonald Florida, LLC
- Kendrick, David, Dowling Architects, Inc.

Discussion of Submittals: Each vendor representative(s) gave a presentation to the committee detailing the scope of work to be provided and their qualifications to provide these services.

Interview Selections: Trustees discussed and deliberated the information provided by the selected vendors and ranked each of the four firms. The vendors were chosen to be in the following order:

Architectural Services

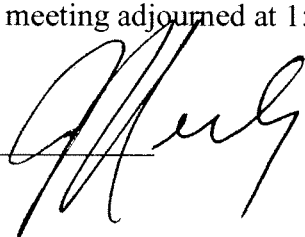

- Florida Architects, Inc.
- Archiscapes, LLC
- Hatch, Mott, MacDonald Florida, LLC
- Kendrick, David, Dowling Architects, Inc.

Florida Architects, Inc. was unanimously selected to move to the contract negotiation phase.

Contract Negotiation: The representatives of Florida Architects, Inc. proposed a contract for a term of three years in the amount of a DMS fee curve for construction projects. Projects in process are to be completed by firm(s) under contract at the start of the project. The fee schedule is included in proposal for projects requiring services only. The committee agreed unanimously on the selection and cost.

Adjournment: The meeting adjourned at 1:50 p.m.
