

# STAFF / FACULTY WIRELESS ACCESS

## FOR FACULTY AND STAFF:

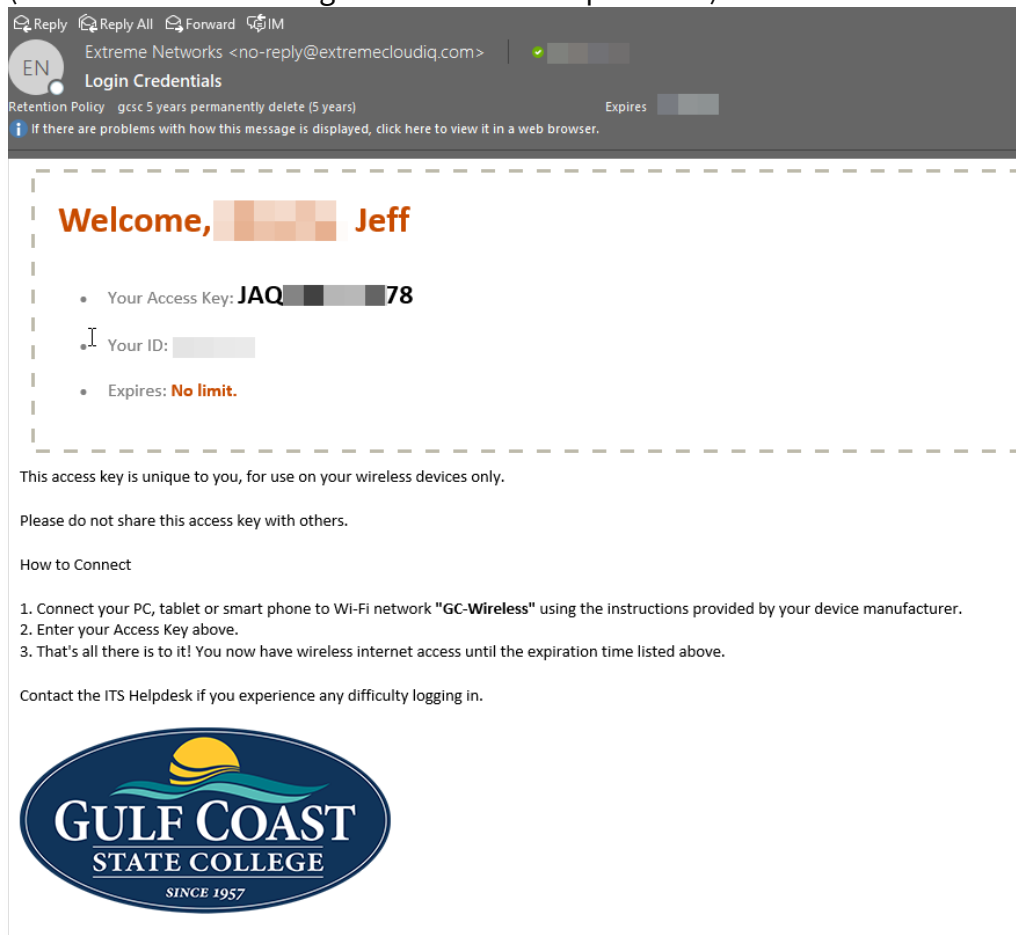

Every currently employed faculty and staff, that has a network login, has access to our wireless system.

You will have received an email from Sender 'Extreme Networks' (subject: Login Credentials) containing an 'Access Key' specific to you (*Example email provided below*)

From your wireless device, find and connect to **GC-Wireless** entering your 'Access Key' from the email as the password and click 'Connect'

If you did not receive your email, cannot find the email or wish to request a new Wireless Access key password, please submit a support ticket to ITS Helpdesk.

### ('Extreme Networks' Login Credentials Sample Email)

The screenshot shows an email interface with the following details:

- Sender: Extreme Networks <no-reply@extremecloudiq.com>
- Subject: Login Credentials
- Retention Policy: gsc 5 years permanently delete (5 years)
- Expires: [Redacted]
- Message content: "Welcome, [Redacted] Jeff"
- Access Key: JAQ [Redacted] 78
- Your ID: [Redacted]
- Expires: No limit.

This access key is unique to you, for use on your wireless devices only.

Please do not share this access key with others.

How to Connect

1. Connect your PC, tablet or smart phone to Wi-Fi network "GC-Wireless" using the instructions provided by your device manufacturer.
2. Enter your Access Key above.
3. That's all there is to it! You now have wireless internet access until the expiration time listed above.

Contact the ITS Helpdesk if you experience any difficulty logging in.
