General Education (36 Hours) Major Electives					
Transfer track programs often require that you take specific general education courses in each general education area. Below are the general education requirements for your program. Consult with your Faculty Advisor if you have any questions.					The purpose of this transfer track is to prepare students for a career in leisure services. The four year universities and colleges offer a variety of
Communications (6 credits)		Natural Science	es (6 credits)		leisure services programs including resort and commercial recreation, corporate and industrial
