Alumni Legacy Connection...

celebrating multi-generational families of GCSC alumni

The Gulf Coast State College Alumni Association (*formerly the Gulf Coast Community College Alumni Association*) appreciates our members. We are proud to announce the new Alumni Legacy Connection Program that will recognize our special alumni who have made receiving their education at Gulf Coast a family tradition. In the fall and spring of each year, your Alumni Association will feature and recognize one Legacy Connection (first and second generation alumni) with an invitation for lunch at GCSC’s La Friandise Culinary Classroom, a spotlight on the GCSC Alumni Association website, and more. **Please complete and return the questionnaire (on the back side of this page) if you and your legacy connection (first or second generation) would like to apply for the Legacy Connection Program.**

Your Alumni Association will strive to recognize you and your alumni legacy connection as soon as possible. Please note that if you are not recognized right away, that you may be recognized at a future date. All Alumni Legacy Connection applications will be kept on file in the Office of Alumni Affairs. Thank you for your support, and we look forward to celebrating your legacy connection soon.

Eligibility: At least one of the legacy connection members (first generation or second generation) must be a current (or new) Alumni Association Member and both alumni must have completed 12 or more hours at GCSC.
