

Alumni Association

The GCSC Alumni Association proudly welcomes our new, renewing and referring members each quarter with the new “Member of the Quarter” program...

Congratulations to GCSC Alumni Association’s Member of the Quarter... Amber Payne!

Amber is a new graduate of Gulf Coast State College, having received her AS in Nursing in December 2011. She continues her studies at Gulf Coast and will complete her AA in Nursing this spring. Next, Amber is looking into Gulf Coast’s new BSN Program, as she would like to pursue her bachelorette degree in nursing in the very near future. She will begin her career on the cardiac floor of Bay Medical Center in February, and she is excited about putting her nursing skills to work.

To celebrate Amber’s new membership, she is receiving a complimentary prize that was kindly donated by GCSC Alumni Association supporters, Sam’s Club and Shane’s Rib Shack. The GCSC Alumni Association is proud to welcome new member, Amber Payne!
