INTRODUCTION

The State of Florida offers a comprehensive insurance benefits package through the State Group Insurance Program as part of your total compensation package. The program allows you to choose health plans that best suit your individual needs. We offer coverage to current and eligible former employees, retirees, spouses and other dependents, surviving spouses, and COBRA participants.

We continually foster a culture of health through our health plans' wellness and disease management programs, and promotion of the State Employee Assistance Program (EAP). State agency employees including Other Personal Services (OPS), as well as their household family and dependents, are automatically enrolled in this free benefit. Acentra Health, our EAP provider, offers tools and resources to help you make positive lifestyle choices for a healthier you. Colleges and Universities may have their own EAP plan. Check with your Human Resources/Benefits representative.

2027 ENROLLMENT

MONDAY, OCT. 12 – FRIDAY, OCT. 30, 2026

WHAT IS OPEN ENROLLMENT?

Open Enrollment is your annual opportunity to make changes to your State Group Insurance coverage.

Open Enrollment starts at 8 a.m. ET, Monday, Oct. 12, and ends at 6 p.m. ET, Friday, Oct. 30, 2026.

The Division of State Group Insurance is partnering with contracted health plans to host in-person benefits fairs. Find locations near you by clicking here.

Make changes online in **People First** or call the People First Service Center from 8 a.m. to 6 p.m. ET weekdays, at 866-663-4735 (TTY Users: 866-221-0268).

- Avoid the phone rush — make changes early and online whenever it's convenient for you.
- Review your personalized benefits statement carefully. The benefits statement shows your current selection and options for the next plan year, including the monthly cost.
- Make changes as many times as you would like during Open Enrollment. Elections become final at 6 p.m. ET on the last day of Open Enrollment.
- If you do not make changes during Open Enrollment, all of your previous elections will continue into the new plan year, including the dollar amount deductions toward your healthcare flexible spending account (FSA), limited purpose FSA, dependent care FSA, and/or health savings account (HSA).

If you make changes, you will receive a confirmation statement in the mail, or you may view your confirmation statement online in **People First** by selecting the Insurance Benefits tile on the People First home page, then selecting Confirmation Statement. Be sure all changes are correct. Confirm you have enrolled your eligible dependents and removed those who are now ineligible (e.g., as a result of divorce).

HOW DO YOU MAKE CHANGES IN PEOPLE FIRST?

Make changes online in **People First** — it's easy.

1. Know your People First password. Passwords expire every 90 days for your protection.
2. Turn off the browser's pop-up blocker and log in to People First.
3. Select the "Complete Open Enrollment Now" task in your inbox.
4. Review your covered dependents and elected plans.
5. If you are enrolled in a health plan for 2027, make your Shared Savings Program selections.
6. Enter your password and select "Complete Enrollment."

WHERE DO I SUBMIT DOCUMENTS?

To submit documents to **People First**, log into your account and upload the documents by clicking on the "Upload" tile near the top right of the screen, or you can mail them to the below address.

People First
P.O. Box 6830
Tallahassee, FL 32314

Remember that you can make changes to your elections during Open Enrollment as many times as you want. However, once Open Enrollment ends, a **Qualifying Status Change** (QSC) event is required to make election changes to your benefits. Note, if you are participating in the Shared Savings Program, you can select an account for your reward payments at any time during the year.

5 REASONS TO PAY ATTENTION DURING OPEN ENROLLMENT

During annual Open Enrollment, all eligible employees have the opportunity to sign up for or change their health, life, dental, vision, or other insurance coverage. Open Enrollment is important for everyone.

1 CHECK FOR CHANGES IN YOUR PLAN.

The Florida Legislature meets each spring and often passes legislation that affects health insurance coverage. Learn about these changes each year during Open Enrollment to ensure your benefits selections are still the best choices for you.

2 CHECK THE DOLLAR AMOUNTS IN YOUR SAVINGS AND SPENDING ACCOUNTS.

Flexible spending accounts (FSAs) are continuous until cancelled. If you have an active FSA this year and do not change your contributions, they will be the same in the following year. Make sure your contributions accurately reflect your needs. Healthcare and limited-purpose FSAs carryover up to $680 for the 2027 plan year. The deadline to incur expenses is Dec. 31, and the deadline to submit claims is April 30.

3 MAKE SURE YOUR DEPENDENTS (INCLUDING SPOUSES) ARE STILL ELIGIBLE.

Continuing coverage for an ineligible dependent is considered fraud. Review your dependent information in **People First** to ensure only eligible dependents are included.

4 BROWSE OTHER PLANS.

As you move through different stages of life, you may have different needs. You and your family may have experienced a life-changing event, and your current health plan may no longer be the best fit. Be sure that you are enrolled in the plan that best fits your current needs.

5 EARN REWARDS AND SAVE MONEY BY UTILIZING THE SHARED SAVINGS PROGRAM.

Earn tax-free rewards to pay for out-of-pocket medical, dental, vision, and prescription costs. The Shared Savings Program is available to State Group Insurance health plan enrollees and their dependents.

Vālenz BlueBook – Members can earn rewards by searching online and having their medical procedures completed at high-quality, low-cost facilities.

Lantern – Having a planned, non-emergency surgery? By using Lantern to locate and schedule your procedure with a high-quality surgeon, you can earn a reward and share in the savings. Earned rewards are credited to your FSA, HSA, or HRA.

Learn more about the **Shared Savings Program**.

Beginning Oct. 1, 2026, visit MyBenefits.MyFlorida.com to learn what's new this Open Enrollment period. You can make changes to your benefits online in People First beginning Oct. 12. All changes are effective Jan. 1, 2027.

EMPLOYEE ELIGIBILITY

To be **eligible** to participate in the State Group Insurance Program, you must be a full- or part-time employee as defined in s. 110.123, F.S.. Upon hire, your position or expected hours of service will determine if you are eligible to participate in the program.

- **Full-time** – includes salaried Career Service, Selected Exempt Service (SES), and Senior Management Service (SMS) positions working 0.75 full-time equivalency (FTE) or more, and Other Personal Services (OPS) employees expected to work an average of 30 or more hours per week. Employees in these positions are eligible to participate in all plans offered under the program upon hire.
- **Part-time** – includes salaried Career Service and SES/SMS positions working fewer than 0.75 FTE. Employees in these positions are eligible to participate in all plans offered under the program upon hire. Employees may be ineligible for future benefits determined by the new hire measurement period, which bases an employee's status on hours of services worked in the preceding period.
- **OPS employees** expected to work fewer than 30 hours per week on average are not eligible to participate in the program. Seasonal employees for which the customary annual employment is six months or less and beginning the same time of year (such as summer or winter), are not eligible to participate in the program. Eligibility is determined at the time of hire, and eligibility for subsequent plan years is determined by the look-back measurement method, which bases an employee's status on hours of service in the preceding period.

ELIGIBILITY MEASUREMENT PERIODS

The 12-month look-back measurement method involves three different periods:

1. **Measurement Period** – counts hours of service worked to determine eligibility.

   a. **New Hire Measurement Period**
   If you were not FTE when you were hired, your hours of service are measured from the first day of the month after you were hired to the last day of your 12th month of employment.

   b. **Open Enrollment Measurement Period**
   If you have worked 12 months, you are considered an ongoing employee. Your hours of service are measured during the Open Enrollment measurement period from Oct. 3 through the following Oct. 2 of each year.

   If you are a new employee who is reasonably expected to work an average of 30 hours or more per week, you are eligible.

2. **Stability Period** – follows a measurement period.

   Your eligibility after the measurement period continues for a one-year stability period, but it may be longer if you are a newly-hired full-time employee and depending on your date of hire. Note that there are exceptions to the stability period for certain employment status changes.

3. **Administrative Period** – the time between the measurement period and the stability period for administrative tasks, such as determining eligibility for coverage and facilitating enrollment. If you are determined to be eligible, a benefits package showing your available options, costs, and effective dates will be mailed to the address on file in **People First**, the system of record.

The rules for the look-back measurement method are complex and this is a general overview of how the rules work. More complex restrictions may apply to your situation.

If you have any questions about this measurement method and how it applies to you, call the People First Service Center from 8 a.m. to 6 p.m. ET weekdays, at 866-663-4735 (TTY Users: 866-221-0268).

DEPENDENT ELIGIBILITY

The following dependents are **eligible** for coverage:

- **Spouse** – The legal wife or husband of the employee or retiree.
- **Child** – A biological child, legally-adopted child, or child placed in the home for the purpose of adoption in accordance with Chapter 63, F.S., through the end of the calendar year in which he/she turns age 26.
- **Stepchild** – The child of your spouse for whom you are financially responsible, for as long as you remain legally married to the child's parent, through the end of the calendar year in which he/she turns age 26.
- **Foster child** – A foster child, or any other unmarried children for whom you have been granted court-ordered temporary or other custody, through the end of the calendar year in which he/she turns age 26.
- **Guardianship** – A child for whom you have legal guardianship in accordance with Chapter 744, F.S., or an unmarried child for whom you are granted court-ordered temporary or other custody through the end of the calendar year in which he/she turns age 26.
- **Over-age dependent** – After the end of the calendar year in which he/she turns 26, through the end of the calendar year in which he/she turns 30 — if he/she is unmarried, has no dependents of his/her own, is a resident of Florida or a full- or part-time student, and has no other health insurance.
- **Over-age dependent with a disability** – A covered child with mental or physical disabilities. This child may continue health insurance coverage after reaching age 26 if they have been continuously covered in a State Group Insurance health plan, or the child was over the age of 26 at the time of your initial enrollment. The child must be incapable of self-sustaining employment because of the mental or physical disability and be dependent on you for care and financial support. If you do not enroll the child at your initial enrollment, you will not be able to add the child to your coverage at a later date.
- **Newborn child of a covered dependent** – A newborn dependent of a covered dependent. The newborn must be added within 60 days of the birth. Coverage may remain in effect for up to 18 months of age as long as the newborn's parent remains covered.
- **Children of law enforcement, firefighters, probation, or correctional officers** – Children of law enforcement, firefighters, probation, or correctional officers who were killed in the line of duty.
- **Surviving spouse and dependents** – The widow or widower of a deceased State officer, State employee, or retiree, if the spouse was covered as a dependent in the State Group Insurance health plan at the time of death; or an employee or retiree who died before July 1, 1979; or a retiree who retired before Jan. 1, 1976, under any State retirement system who is not eligible for any Social Security benefits. The surviving spouse may participate in the State Group Insurance health plan with family coverage if there are eligible children to be covered; otherwise, the surviving spouse may only participate under an individual coverage. Upon remarriage, the widow or widower is no longer considered a surviving spouse, and shall report remarriage within 60 days . See page 11 for more information.

MAKE SURE YOUR NEW DEPENDENTS ARE VERIFIED

- The People First Service Center will request documents as part of the dependent eligibility verification process to confirm that an employee's newly added dependents are eligible for insurance coverage. This process applies to new hires, marriages, births, and other life events during the year as allowed by a qualifying status change (QSC) event.
- All enrollees who add new dependents during these QSC events will receive the documentation request. Documentation requests will be generated by People First and sent via email (from PeopleFirstNoReply@ngahrhosting.com) to the enrollee's notification email in People First. If the enrollee does not have a notification email, a letter will be mailed to the employee's address on file.
- If the employee fails to send sufficient documents in the time frame specified (e.g., 90 days), or if the employee submits documents that do not prove dependent eligibility, dependent coverage will terminate prospectively (i.e., the first day of the month following ineligibility determination).
- If a dependent is removed from coverage due to failed dependent verification, they cannot be reinstated immediately. They can only be added back to coverage during a QSC or annual open enrollment.

Documentation requirements can be found at: **MyBenefits.MyFlorida.com/MyHealth/Dependent Verification**.

If you have any questions, please call People First at 866-663-4735 (TTY Users: 866-221-0268) and ask to speak to the dependent verification team.

RETIREE ELIGIBILITY

You are **eligible** to continue health and life insurance if you are a State officer or State employee when you:

1. Retire under a State of Florida retirement system, State optional annuity, State retirement program, or go on disability retirement under the State of Florida Retirement System, as long as you were covered under health and life insurance at the time of your retirement, and you begin receiving retirement benefits immediately after you retire; or
2. Retire under the Florida Retirement System Investment Plan, and you:
    - Meet the age and service requirements to qualify for normal retirement as set forth in s. 121.021(29), F.S.; or have attained the age specified by s. 72(t)(2)(A)(i), Internal Revenue Code, and you have six years of creditable service; and
    - Take an immediate distribution; and
    - Either:
        i. Maintained continuous coverage under the program from termination until receiving your distribution (you must continue health insurance coverage through COBRA or as a participating Eligible Former Employee until you take your immediate distribution); or
        ii. Retired before Jan. 1, 1976, under any State retirement system and you are not eligible to receive any Social Security benefits.

If you do not continue health insurance coverage at retirement, or if you cancel retiree coverage, you will not be allowed to re-enroll in a State Group Insurance Program health plan at a later date as a retiree.

OTHER ELIGIBILITY

Eligibility Under the Consolidated Omnibus Budget Reconciliation Act (COBRA)

COBRA allows qualified participants to continue coverage of their healthcare FSA, health reimbursement account (HRA), and health, dental, and vision benefits through their employer's group insurance plan for a limited period of time under certain circumstances, including the following:

- Voluntary or involuntary job loss.
- Reduction in hours worked.
- Transition between jobs.
- Death.
- Divorce.
- Other life events.

People First will mail a COBRA package to your address on record in People First when one of these events is reported. COBRA enrollees pay the entire monthly premium plus a 2% administrative fee. You and/or your dependents lose eligibility for COBRA when you become eligible for other group insurance, including Medicare, or if you fail to pay the premium by the last day of the coverage month.

If you are the spouse of an enrollee and have been dropped from coverage in anticipation of a divorce, please report this event to the **People First** Service Center. You may be eligible to enroll in COBRA at the time your divorce is finalized.

To see your premium rates for 2027, visit the **premiums**.

Eligible Former Employees

The State Group Insurance Program offers health benefits to **eligible former employees**. Eligible Former Employee (EFE) refers to a former state officer or employee who was enrolled in the State Group Health Insurance Program (Program) for at least six cumulative years while employed by one or more participating employers, and who remained enrolled in the Program at the time of separation from employment.

Employees who become EFEs may enroll and disenroll from health insurance coverage for up to 24 months after separation. After this 24-month period, EFEs who remain enrolled in health insurance coverage may make plan changes only during open enrollment or with a valid Qualifying Status Change (QSC) event.

Other Personal Services (OPS) and seasonal workers are not eligible as EFEs.

EFEs pay the same monthly premium for health insurance coverage as early retirees.

For EFE health insurance premiums, please **click** here.

ENROLLMENT

You may enroll when you first become eligible for coverage, when you are hired, when you experience a QSC event during the year, or during Open Enrollment. Common QSC events include marriage, divorce, birth, or change in employment status. All eligible State employees, eligible former employees, enrolled retirees, surviving spouses, and COBRA participants may participate in Open Enrollment.

Make your State Group Insurance elections online in **People First**. You can see all available options, enroll your eligible dependents, and confirm your benefit selections instantly.

WHAT NEW HIRES NEED TO KNOW

- Optional life insurance is guaranteed issue up to five times your salary ($500,000 max.) when you are an eligible new hire.
- If you miss this opportunity to enroll, or want to enroll for up to seven times salary ($1 million max.), you will have to complete the medical underwriting process.
- Dependent spouse life insurance is also guaranteed if you are married when you are an eligible new hire or if you later marry. Your spouse will have to complete the medical underwriting process if you decide to enroll later. A benefits-eligible state employee married to another benefits-eligible state employee may not enroll their spouse in dependent spouse life insurance coverage.
- The State Group Insurance Program offers prepaid dental plans, which have limited networks. Be sure the plan you want has dentists in your area, and the offices are accepting new patients. You will not be able to change (until the next Open Enrollment or a QSC event) dental plans because your preferred dentist is not in-network or leaves the network.
- If you enroll in a State Group Insurance Program health plan, you and your dependents are eligible to participate in the Shared Savings Program. Visit the **Shared Savings Program**, to learn how you can earn rewards.

SPOUSE PROGRAM HEALTH INSURANCE

The Spouse Program provides family health insurance for two state employees married to each other. One spouse serves as the primary account holder. Each pays $15 per month for family coverage. To enroll, you and your spouse must complete and sign the **Spouse Program Election** form. Then submit the form online through the People First portal or mail it to People First at the address on the form.

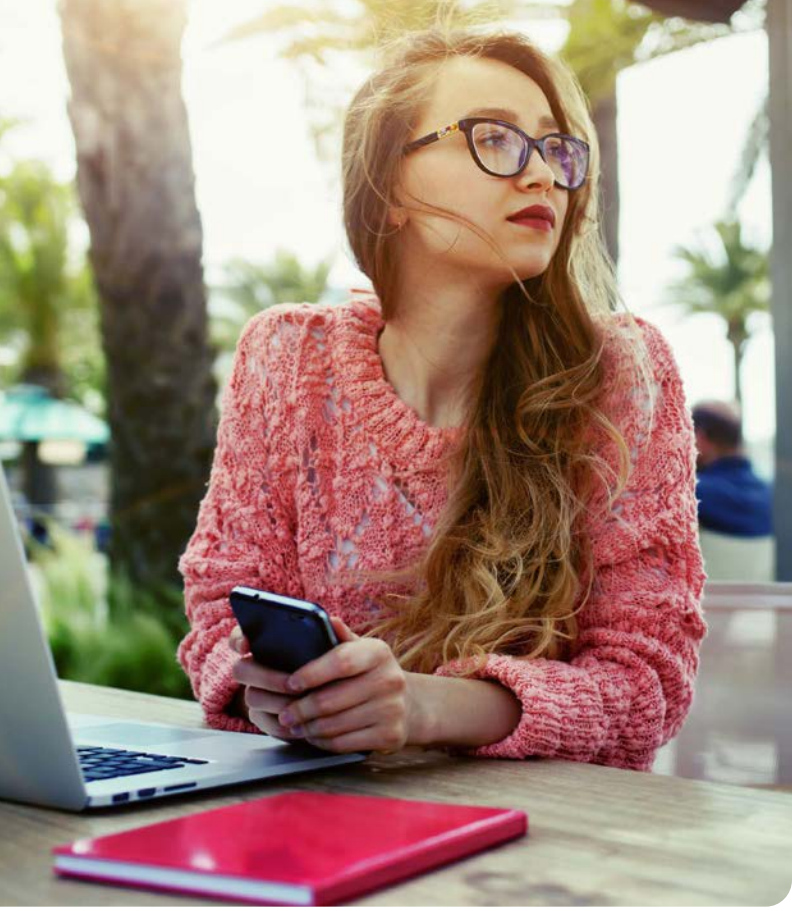

You have 60 days to enroll after you become eligible. You become eligible for the Spouse Program when you or your spouse works for the State, the other starts working for the state, or when you marry another state employee, and you are already employed by the state.

If you miss your opportunity to enroll when you are first eligible, you must wait until Open Enrollment to enroll.

If you and your spouse elect enrollment under the Spouse Program, you will be enrolled in a family health plan. You and your spouse will be required to designate a primary and secondary spouse for your account. The primary spouse is considered the enrollee while the secondary spouse and dependents are covered under the family health plan as dependents.

If the family is enrolled in a high deductible health plan (HDHP), the primary and the secondary spouse should individually enroll in health savings accounts. Each spouse will receive the individual state contribution. Payroll contributions can be made up to half of the family contribution.

Rewards earned through participation in the Shared Savings Program will be deposited in the savings and spending account as designated by the primary spouse.

SURVIVING SPOUSE HEALTH INSURANCE

Surviving spouses are eligible for coverage. The term "surviving spouse" means the widow or widower of:

- A deceased state officer, state employee (including OPS) or retiree if the spouse was covered as a dependent at the time of the participant's death.
- An employee or retiree who died before July 1, 1979.
- A retiree who retired before Jan. 1, 1976, under any state retirement system and who is not eligible for any Social Security benefits.

The surviving spouse and dependents, if any, must have been covered at the time of the participant's death. To enroll, the surviving spouse has 60 days to notify the People First Service Center of the death and 60 days to enroll after receipt of the enrollment package. Coverage is effective retroactively once the enrollment form and premiums have been received. Coverage begins the first of the month following the last month of coverage for the deceased; in other words, coverage must be continuous.

Coverage for surviving spouses ends on the first of the month following remarriage; however, they are eligible to continue coverage under COBRA for a limited time, provided they send a copy of the marriage certificate to People First within 60 days of the marriage.

ENROLLMENT TIPS

Watch for your benefits statement online or in the mail. It will show all your options and costs, and explain possible effective dates of coverage.

Enroll online in People First during Open Enrollment or within 60 days of your QSC event. If you miss either of these deadlines, you must wait until the next Open Enrollment unless you have another QSC event.

Obtain correct Social Security numbers, birth dates, and required documentation to enroll your eligible dependents.

As part of the **dependent eligibility verification** process, assign dependents to an insurance plan. Only registering will not have them covered. Enrollees will receive the documentation request generated through People First by email at: **PeopleFirstNoReply@ngahrhosting.com**. It is sent to the enrollee's notification email in People First. If the enrollee does not have a notification email, a letter will be mailed to the employee's address on file.

Choose your options carefully. When you make an election during Open Enrollment or within the 60-day QSC event window, you cannot cancel or change to another plan until the next Open Enrollment or a QSC.

The plan year is Jan. 1 through Dec. 31.

When you elect how much to contribute to health savings accounts and flexible spending accounts, the election is for the whole plan year, so carefully consider your needs.

If you are hired during Open Enrollment, you will make elections for that year and for the next.

Additional insurance and program information is available anytime on our **YouTube channel** about eligibility.

COVERAGE

WHEN COVERAGE IS EFFECTIVE

Enrollment and changes made during Open Enrollment are effective Jan. 1 of the next year. Payroll deductions for most plans begin the preceding December. Enrollment and permitted changes made as a result of a QSC event are effective as follows:

- Health insurance may be effective as soon as the first day of the month following the month you elect coverage in People First. For births and adoptions, call People First to request coverage for the child effective on his or her birth date, or on the date that he or she is placed in the home for adoption.
- Basic life insurance is effective for full-time salaried employees on the first day that the FTE employee is actively at work. For part-time salaried or eligible OPS Employees, coverage is effective on the first day of the month following election and their first payroll deduction.
- Optional life insurance, dependent spouse life insurance, and certain supplemental plans are effective on the first day of the month after completion of the medical underwriting process, if required, and after a full payroll deduction is taken. Plans that do not require medical underwriting, such as dependent child life insurance, are effective the first day of the month for which a full payroll deduction is taken.
- Healthcare, limited purpose, and dependent care FSAs start on your enrollment date.
- Your HSA becomes active on the date your high deductible coverage is active. Once your enrollment is complete and your identity has been confirmed, your account will be automatically opened for you.
- Your HRA becomes active on the date that you receive a reward payment through the Shared Savings Program.

WHEN COVERAGE SUSPENDS

Premium payments for State Group Insurance plans are made one month in advance of the coverage month (e.g., you pay for July coverage in June). If your account becomes underpaid, the underpayment will be deducted from your next payroll (up to $180 for employees paid bi-weekly or up to $360 for employees paid monthly) in addition to your regular monthly premium contribution, and payroll deductions will continue each payroll cycle until the outstanding balance is paid in full. In addition to, or in lieu of payroll deductions, you may coordinate payment with **People First**.

Any time your insurance premium is underpaid by more than one month, coverage will be suspended. This means that your insurance is temporarily unavailable. If you go to the doctor's office or the pharmacy, you will have to pay out-of-pocket for services and prescriptions. Once you pay the underpayment in full, you can file a claim with your insurance provider to seek reimbursement for eligible expenses that were incurred during the period of suspension.

Avoid coverage suspensions by keeping your address updated in People First, reading notices from **People First**, and taking quick action to pay any underpayments.

For more information on mid-year changes visit MyBenefits.MyFlorida.com.

WHEN COVERAGE ENDS

All coverage ends as follows, unless you elect COBRA for a COBRA-eligible benefit (e.g., health, dental, vision):

- **Employees:** When you end employment with the State, coverage ends for you and any covered dependents the last day of the month following the month of termination. For example, if your last day of work is June 23, coverage ends July 31.
- **Retirees, COBRA participants, eligible former employees, layoff participants, and surviving spouses:** You have until the last day of the coverage month to pay the premium. If you have made no payment, coverage will end, and you will not be permitted to re-enroll. Avoid this situation by submitting your payment to **People First** by the 10th day of the month before next month's coverage.

  For example, submit July's payment before June 10. COBRA participants may have coverage for up to 18, 29, or 36 months depending on the COBRA event; layoff participants may have coverage for up to 24 months.
- **Surviving spouse:** If you remarry, coverage ends the first day of the month following remarriage. You and your new spouse may continue health insurance through COBRA for a limited time. If you do not remarry, coverage continues with no break.
- **Dependents:** Coverage ends for dependents when your coverage ends, or if they lose eligibility (e.g., last day of the month of a divorce, theirs or your deaths, or when they exceed age limits). Dependent grandchildren lose coverage at the end of the month in which they turn 18 months of age, or if their parent ceases to be covered under the plan.

HEALTH AND WELLBEING

Your total health is important to us. We offer a variety of benefits to keep you physically and mentally healthy.

Remember to choose a primary care provider to manage your care and take advantage of free preventive services to monitor your health.

HEALTH INSURANCE PLANS

We offer four health insurance plans to members. Each plan provides comprehensive major medical and prescription drug coverage, as well as preventive care benefits and wellness programs.

1. The standard Preferred Provider Organization (PPO), administered by Florida Blue, provides coverage in and out-of-network. You must meet a deductible and pay coinsurance or copayments. You can self-refer to many specialists, and you have access to a nationwide network (BlueCard Program™) and the international BCBS Global® Core Program.
2. The high-deductible Preferred Provider Organization (PPO), administered by Florida Blue, carries a lower monthly premium and a higher deductible (except for certain preventive services). Once you meet your deductible, you pay coinsurance for all services and prescription drugs. You may enroll in an HSA if you meet eligibility requirements to help offset your out-of-pocket costs.
3. Standard Health Maintenance Organization (HMO) services are provided by Aetna, Capital Health Plan, and UnitedHealthcare. One of these HMO plans is offered in each region in Florida. HMOs cover only in-network services, except in certain emergency situations. You make copayments for services provided in the HMO's network, and you may be required to have a primary care provider and referrals to some specialists.
4. The high deductible HMO works like the standard HMO, except you have a higher deductible (except for certain preventive services). Once you meet your deductible, you pay coinsurance for all services and prescription drugs. You may enroll in an HSA if you meet eligibility requirements to help offset your out-of-pocket costs.

USE EMERGENCY ROOMS FOR EMERGENCIES

Did you know that going to an emergency room (ER) costs up to four times as much as going to urgent care? Did you also know that it can cost the plan 10 times more, sometimes higher? A procedure that costs your health plan $100 in an urgent care facility can cost more than $1,000 in an emergency room. When costs for the plan increase, premiums may increase.

Help keep costs low. If you have a primary care provider, you can often schedule an office visit on the same day.

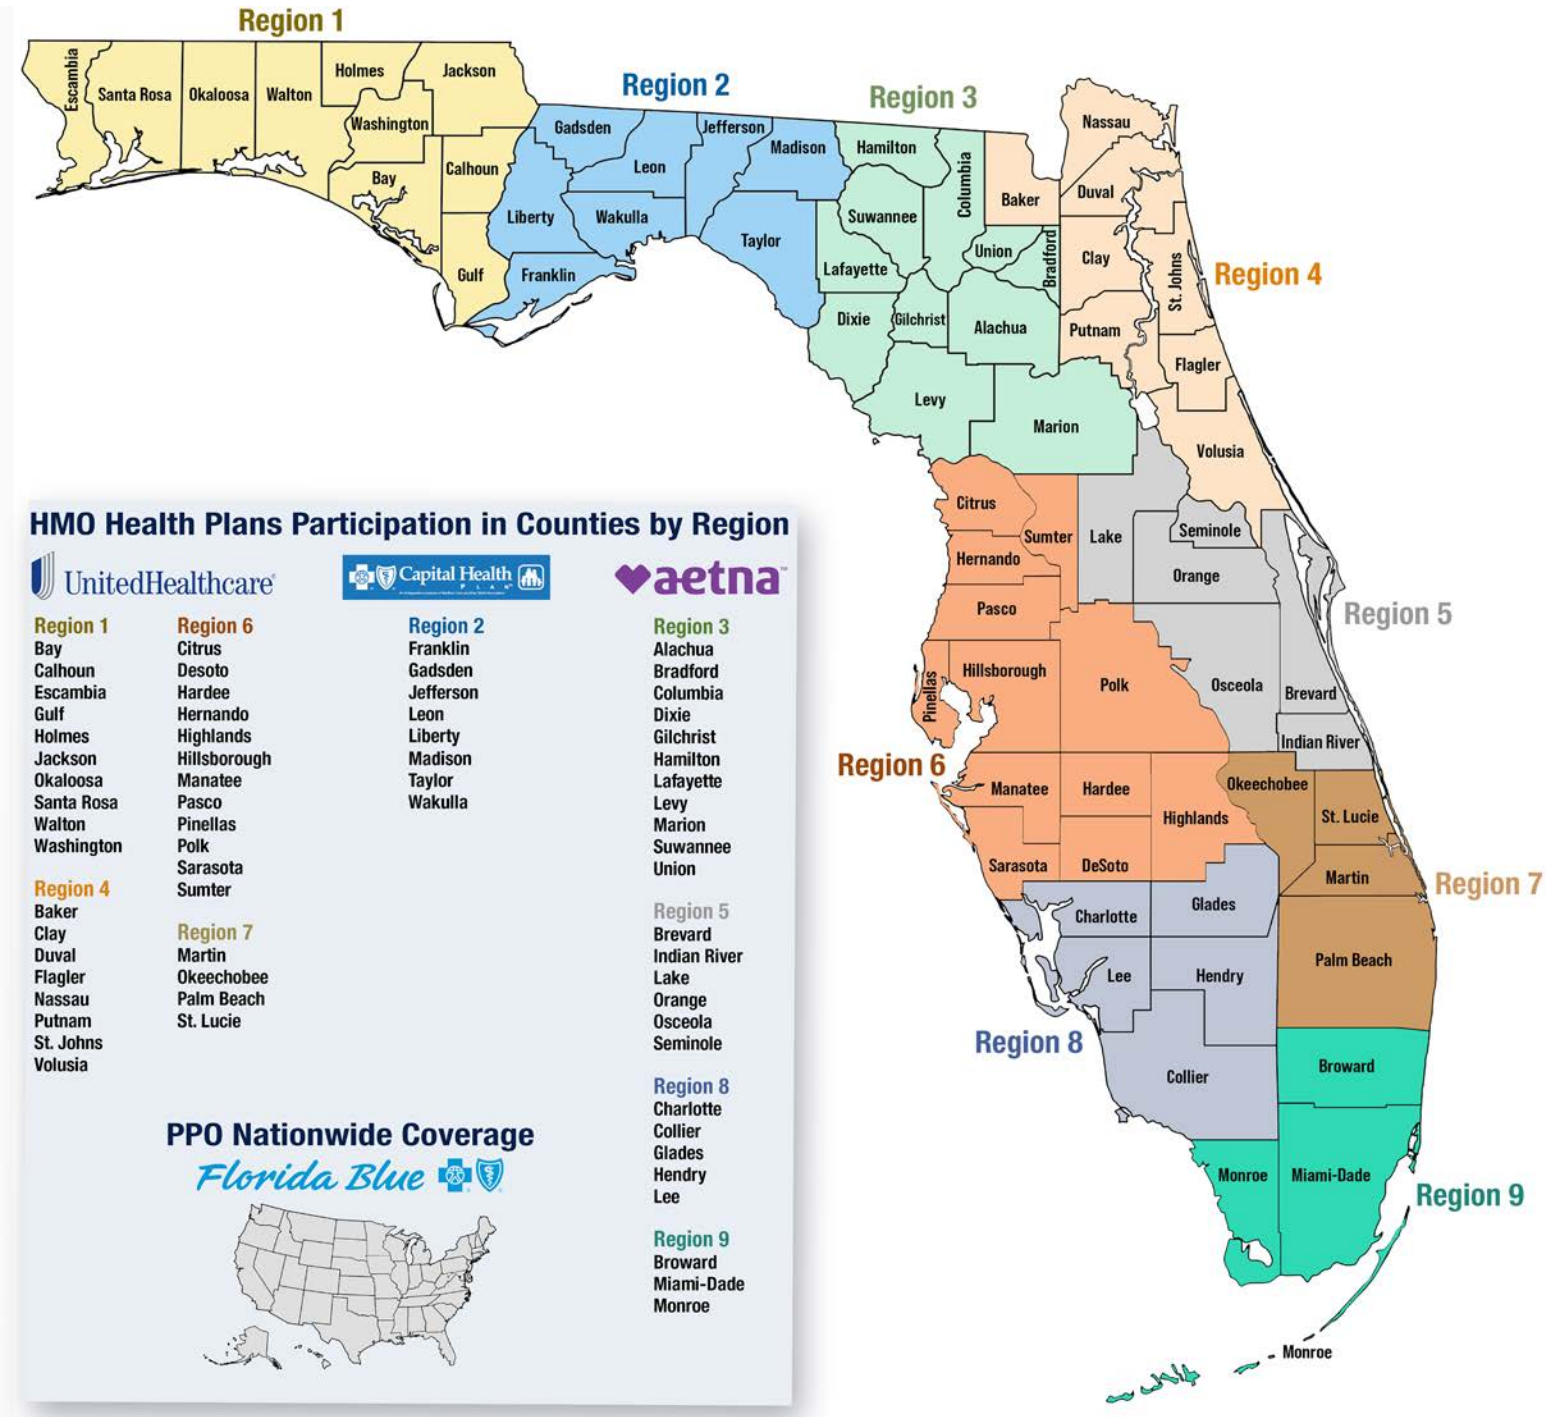

Urgent care centers have extended hours for when the unexpected occurs. Save money, and save the emergency room visit for life-threatening illnesses and accidents.

The More You Know

Other places you can receive service in lieu of the ER include:

- Urgent Care Centers
- Primary Care Provider
- Telehealth (See page 25 for additional information)

MEDICARE ADVANTAGE AND PRESCRIPTION DRUG PLANS

MEDICARE ADVANTAGE AND PRESCRIPTION DRUG PLANS THAT OFFER PRESCRIPTION DRUG COVERAGE

The Division of State Group Insurance offers the **Medicare Advantage and Prescription Drug** (MA-PD) plans to retirees, COBRA participants, surviving spouses, those who were laid off, and vested legislators who are enrolled in a State Group Insurance health plan and are enrolled in Medicare Part A (hospitalization coverage) and Part B (medical coverage). MA-PD plans are not offered to active employees.

An MA-PD includes Part A, Part B, and Part D (prescription drug coverage). Enrollment in a MA-PD plan is optional. You will never be called to enroll. All official communications will include the DMS or division logos. The two qualified group plan providers are:

- **Capital Health Plan Retiree Advantage and Classic MA-PD HMO**
- **Humana MA-PD HMO and PPO**

For Humana, the Part D Prescription maximum out-of-pocket has increased to $2,400 per year, and prescription fills have been expanded to cover up to a 100-day supply, provided they are written by a physician.

Monthly premiums for CHP and Humana are shown below:

SAVINGS AND SPENDING ACCOUNTS

HEALTH REIMBURSEMENT ACCOUNT (HRA)

Chard Snyder is the administrator of two types of HRAs that reimburse you for eligible out-of-pocket expenses. Use the prepaid Chard Snyder Benefit Card at the time of service as a convenient payment option wherever most credit cards are accepted.

- **HRA** is a pretax account available to you if you are enrolled in a standard health plan. You can use the funds to pay for eligible medical, dental, and vision expenses, prescriptions, over-the-counter medications, and menstrual hygiene products.
- **Post-deductible HRA** is a pretax account that is available to you if you are enrolled in a high deductible health plan. After you meet the annual, federal deductible, you can use the funds to pay for eligible medical, dental, and vision expenses, prescriptions, over-the-counter medications, and menstrual hygiene products.

For the HRA and post-deductible HRA, Dec. 31, is the last day to incur claims for the plan year, and you must submit all claims by April 30. However, unlike an FSA, if you have funds remaining at the end of 2027, all funds will carry over to the next plan year. The HRA is employer-funded only, which means you cannot contribute to the account. There is no limit on the amount of funds in an HRA.

As long as you are enrolled in a State Group Insurance health plan, you may continue your HRA. This applies to COBRA coverage, retiree coverage, and surviving spouse coverage other than MA-PD enrollees.

Find out **how each HRA account works** or visit the **Savings and Spending Accounts Comparison Chart**.

FLEXIBLE SPENDING ACCOUNT (FSA)

Chard Snyder is the administrator of three types of flexible spending accounts (FSA) that give you a tax break on eligible out-of-pocket expenses. Use the prepaid Chard Snyder Benefit Card at the time of service as a convenient payment option wherever most credit cards are accepted. The minimum contribution amount is $60 per year.

- **Healthcare FSA** you contribute up to $3,400 each plan year on a pretax basis to pay for eligible medical, dental, and vision expenses, prescriptions, over-the-counter medications, and menstrual hygiene products.
- **Limited Purpose FSA** you contribute up to $3,400 each plan year on a pretax basis to pay for eligible dental, vision, and preventive care expenses. Use HSA for all other medical expenses.
- **Dependent Care FSA** you contribute up to $7,500 per household each plan year on a pretax basis. Your exact savings will depend on your personal tax rate to pay for the care of your natural, adopted, and foster children who have not reached their 13th birthday and family members who cannot physically or mentally care for themselves.

For the healthcare FSA and limited purpose FSA, Dec. 31 is the last day to incur expenses for the plan year, and you must submit all claims by **April 30**. Otherwise, if you have funds remaining at the end of 2027, a maximum of $680 will carry over to the next plan year and any funds in excess of $680 will be forfeited.

For the dependent care FSA, March 15 is the last day to incur expenses for the prior plan year, and you must submit all claims by April 30. Otherwise, you forfeit any remaining funds.

HEALTH SAVINGS ACCOUNT (HSA)

A Health Savings Account (HSA) is a tax-advantaged account available to you if you enroll in a high deductible health plan (HDHP). You do not pay taxes on any money you deposit into it. You may withdraw funds to pay for qualified medical expenses for yourself, your spouse, or a qualified dependent without tax penalty.

Once enrolled and your HSA Advantage bank account is opened through Chard Snyder, you will receive the state's monthly deposit of $41.66 for single coverage and $83.33 for family coverage (up to $500 and $1,000 annually, respectively).

Unused funds roll over each year, and you can keep your HSA when you leave state employment. You are eligible to participate and enroll in the HSA as long as you are enrolled in HDHP and meet all eligibility requirements.

You may continue dental through COBRA upon the termination of employment, including retirement, or convert other plans by calling the insurance company directly.

DENTAL PLANS

Take control of your total health. Review the dental plan options carefully. Some have limited networks and pay only for services performed by in-network dental care providers. Some provide in- and out-of-network benefits. Be sure the plan you select has plenty of dentists in your area who are accepting new patients. You cannot change dental plans because you do not like the dentists or because your dentist leaves the network.

MONEY SAVERS

HEALTH AND WELLNESS MONEY SAVERS

Earn financial rewards by shopping for healthcare services through Vālenz Bluebook and Lantern.

Ask for generic drugs. If no generic drug is available, ask for preferred brand drugs over non-preferred ones. See the **Preferred Drug List**.

Choose a primary care provider and use in-network healthcare providers.

Confirm your provider participates in your health plan's network and accepts the State Group Insurance health plan.

Pay a $25 copayment for urgent care instead of $100 copay at an emergency room.
Reminder: Your cost depends on your plan (HDHP members are subject to deductible/coinsurance).
Ask if your primary care provider is part of an urgent care center. Always go the emergency room if you have a life-threatening emergency.

Get fit and take advantage of available gym membership reimbursement.

Pay nothing for your annual physical and certain preventive screenings. Track your biometric numbers to see positive movement.

For your maintenance prescription drugs, use 90-day retail fills at participating pharmacies or mail order. You will pay only two copayments for three-month supply, saving you a copayment. Ask your prescribing provider to write your maintenance drug's prescription for up to a 90-day supply with three refills.

Take advantage of all the resources your health plan has to offer:

- Information about events.
- Healthy recipes.
- Resources to help you understand food nutrition labels.
- Resources to help with quitting smoking.
- Tips to prevent chronic disease.
- Management and education programs.

SAVINGS AND SPENDING ACCOUNT MONEY SAVERS

- Deduct money from your paycheck before payroll taxes are calculated.
- You save money because you pay less income tax. Access the full annual election amount of your healthcare or limited purpose FSA on Jan. 1. Your FSA essentially works like an interest-free, tax-free loan.
- The pretax money withheld from your check helps you pay for big expenses painlessly. Your entire healthcare FSA balance is available on the first day of your plan. You may use your plan like an interest-free loan for expenses such as glasses, contact lenses, dentures, oral surgery, tooth implants, and Lasik surgery.
- Orthodontia expenses are the only approved FSA claims that may be paid as long as you are making payments. Be aware that many factors will impact your orthodontia cost, how much you will save through your FSA, and how you are reimbursed.
- Over-the-counter drugs and medicines such as ibuprofen, acetaminophen, and cough syrup can be purchased using your healthcare FSA without a prescription.
- Menstrual hygiene products, Oura ring, to custom insoles, and more are on the list of eligible expenses. Go to **People First** and click on the Chard Snyder quick link under My Other Accounts. A full list of eligible items is under Tools & Support > Quick Links > Eligible Expenses List.
- Estimate how much you can save on your taxes with the **Tax-Savings Calculator**.

DENTAL MONEY SAVERS

Review your dental plan's benefits documents for limitations and exclusions:

- Confirm your dentist and dental specialists participate in-network for your specific plan.
- Search your dental plan's online provider directory for dentists accepting new patients.
- Call the dentist's office to confirm it has a reasonable appointment schedule, especially for first-time patients.
- Before making an appointment, call your prepaid dental insurance company to be added to your dentist's roster of patients; otherwise, you will have no coverage when you go.
- Ask your dentist for prior-treatment cost evaluation to avoid expensive surprises.
- Talk to your dental plan about prior authorization requirements and other special processes.
