

DUO MFA for myGCSC / PortalGuard

You can now add Duo as your default 2FA/MFA choice when logging into myGCSC/PortalGuard.

To make this change log into your myGCSC portal.

A One Time Passcode (OTP) will be delivered as a text/SMS to:
xxx-xxx-6327

It could take 10 to 15 seconds to be delivered. Upon receipt, please enter the OTP below to continue.

User ID (students use Axxxxxxxx)

Password

2nd Factor / One Time Passcode

Login

Cancel

Once logged into myGCSC, in the upper right corner, click on your username and select **'Edit Profile'** from the menu

This will bring you to the 'Account Management' page. From here find the '**OTP Delivery Methods**' located mid-page

Click '**OTP Delivery Methods**' to expand the available options.

Under the Default OTP methods, all Action Methods are set to Phone by default

For the '**Website Login**' click the '**Change**' button to modify

 **OTP Delivery Methods**

Default OTP Methods

Action	Method	Modify
Website Login	Duo Push 	<input type="button" value="Change"/>
Password Change	Mobile Authenticator	<input type="button" value="Change"/>
Account Unlock	Mobile Authenticator	<input type="button" value="Change"/>
Password Reset	Mobile Authenticator	<input type="button" value="Change"/>

Once you are finished, click your username in the upper right corner and select 'SSO Portal' to return to the main page

The next time you sign into myGCSC/PortalGuard, instead of receiving a text message with a code you will instead see the following Duo prompt;

- (1) Select one or both of the boxes to have Duo or the web browser remember your 2FA session.
- (2) Select your desired method for Duo to authenticate you

*** If during your initial device registration, you chose for Duo to automatically push, the authentication screen below may be shaded out and a Duo Push may be automatically sent to you for 2FA approval.*

MULTI-FACTOR LOGIN REQUIRED

Please interact with the controls below to prove your identity via MFA

User ID (students use Axxxxxxxx)
