Student Support Services (SSS)

Our SSS program provides Gulf Coast State College students with opportunities for academic development, assists them with basic college requirements and financial aid, and motivates participants toward the successful completion of their post-secondary education.

Educational Opportunity Center (EOC)

The EOC helps adults who are looking to earn their GED, enroll in a college, university, or technical school, or return to finish their degree. Although low-income and first-generation individuals are primarily encouraged to apply, the EOC can help anyone access higher education.

Upward Bound (UB)

UB assists participants who are in 9th through 12th grade by fundamentally supporting their preparation for college entrance. Participants are provided advice and counseling on pre-college performance, admission and financial aid application assistance, and college tours for possible higher education pursuits.

100% of TRIO's annual costs are financed with federal funding. Please visit gulfcoast.edu/TRIO for more info.

Mon - Thurs: 8:00 AM - 7:00 PM
Friday: 8:00 AM - 4:00 PM
