

**Who We're Looking For: *Design/Content Marketing Intern***  
**– Position opens March 1<sup>st</sup>.**

A motivated student with an entrepreneurial mindset that is interested in both learning and contributing to the success of a start-up technology company.

**What You'll Do**

- Participate in the creation of targeted marketing campaigns that produce lead generation for the sales team.
- Design, write, review and edit marketing and collateral materials.
- Creative thinking and problem-solving in a fast-paced environment
- Deepen your skills and become a better designer
- Some days will be fast-paced — you get things done while staying positive.
- Some days are lighter than others — you're a self-starter and make a positive impact.
- Some things will be new and challenging — you're resourceful and find a way.

**Your Experience and Qualifications**

- Solid design skills
- Experience designing with Adobe Creative Suite
- Attention to detail
- Solid understanding of basic design and color theory
- Great work ethic
- Ready to learn while actively finding ways to improve your skills

**Extra Points**

- Web-design and/or experience in WordPress
