

## Sales Management Trainee Intern

### Get a head start on your career!

Our paid internship program is year-round and provides valuable training and hands-on experience in the field of consumer lending. Upon completion of the internship, you will have a good understanding of what it takes to be a branch manager at OneMain. You may also be offered full-time employment. As an intern, you will gain valuable experience in key aspects of branch operations, including:

- Sales skills and business development
- Loan applications and processing
- Risk analysis and credit decisions
- Loan closings and customer service
- Collections/adjustment activities

Applicants for internships should have completed their sophomore year of college and be currently enrolled. Ideal candidates should be pursuing a business-related degree.

OneMain Holdings, Inc. is one of America's leading personal finance companies offering responsible and transparent personal loan products, primarily to nonprime consumers. For over 100 years, we have been providing personalized, best-in-class service at more than 1,800 branches in 44 states. Our iLoan® internet lending division also provides customers the opportunity to complete the loan process entirely online. OneMain has more than 11,000 team members who proudly support the communities in which they live and work.
