## INTERNSHIP OPPORTUNITY

Employer would like to introduce a paid internship for a student majoring in Biology, Pharmacy, or a Medical field to fill position to co-manage an e-liquid lab located in Panama City Beach.

The lab designs and produces their liquids on site for all of their stores and online sales. The lab managers bring together their managerial skills and learning of safety and lab procedures to ensure that the laboratory operates smoothly. Duties generally include scheduling, reordering supplies, and maintaining and designing new flavors for Dr. Vape It.

Lab experience is not required for this position.

We would like someone who is available up to 40 hours and we will work the hours around student's education requirements.

**TO APPLY: Email resume to Ms. Hoyt in Cooperative Education**
