

Syllabus

Name of Course

EMS 2231- Paramedic I / CRN 84328 / Fall 2026

Credit Hours/Contact Hours: 9 Credit Hour/ 9 Contact Hours

Pre-requisites/Co-requisites: Current American Heart Association Basic Life Support (BLS)

Provider certification, Current Florida EMT Licensure, co-current with EMS2435 Paramedic I Lab

Contact Information

Instructor

Name: Liliana Zamora
Title: Program Coordinator, EMS Programs
Email: lzamora@gulfcoast.edu
Phone Number: 850.769.1551. ext. 5632

Office Location: 637 Hwy 2300, Southport, FL 32409 Room: 111
Office Hours (Days & Times): Mon-0800-1600, Thu-1300-1600 & Fri 1300-1600
Response Time: 24 Business hours

Division Chair

Name: Bruce Harber
Title: Chair/Director, Public Safety
Email: bharber@gulfcoast.edu
Phone Number: 850.872.3878

Division Administrative Assistant

Name: Victoria Byrd
Title: Senior Administrative Assistant
Email: vbyrd@gulfcoast.edu
Phone Number: 850.769.1551 ext. 5615

Course Information

Catalog Description:

First course in the sequence necessary for Paramedic program completion. Designed to integrate concepts & clinical skills learned at the EMT level with advanced life support concepts & skills. Emphasis on patient assessment, pulmonary anatomy & physiology, advanced airway management, pathophysiology & clinical management of shock, medical emergencies & cardiac related emergencies. Course is consistent with the most current Paramedic curriculum guidelines.

Student Learning Outcomes:

Upon successful completion of this course, students will be able to:

1. Perform comprehensive patient assessments and develop appropriate treatment plans utilizing advanced life support principles.
2. Demonstrate competency in advanced airway management, including airway adjuncts, supraglottic airways, endotracheal intubation, ventilation, and oxygenation techniques.
3. Apply principles of pulmonary anatomy, physiology, and pathophysiology in the assessment and management of respiratory emergencies.
4. Interpret and apply cardiac monitoring data, including 4-lead and 12-lead ECG acquisition and basic electrocardiogram interpretation.
5. Recognize and manage cardiac emergencies utilizing current evidence-based treatment guidelines and advanced life support interventions.
6. Explain the principles of pharmacology, including medication classifications, indications, contraindications, dosages, and routes of administration commonly used in prehospital care.
7. Assess and manage patients experiencing shock, medical emergencies, and cardiovascular disorders through appropriate clinical decision-making and interventions.
8. Integrate EMT knowledge and skills with advanced airway, cardiac, and pharmacological concepts to provide safe and effective patient care.
9. Demonstrate professional communication, teamwork, and critical-thinking skills in classroom, laboratory, simulation, and clinical environments.
10. Apply current paramedic curriculum standards and best practices consistent with entry-level paramedic competency and professional expectations

Course Materials & Resources:

Navigate Premier Access for Nancy Caroline's Emergency Care in the Streets, 9th edition with Fisdap Internship Package Paramedic Access and Fisdap Paramedic Assessment Package with Enhanced Security

ISBN: 9781284333923/Book Code: 33392-3

Delivery Method:

This course meets face to face. Course material, assignments, and announcements may be offered via Canvas as a supplemental approach to learning at the discretion of the

instructor. Please make sure that you have access to a computer with a webcam and internet service in the event a change in course delivery is needed.

Student Expectations

In this course, communication and feedback will occur through various channels, including GCSC email, Canvas Inbox, Canvas Announcements, Canvas Discussions, Microsoft Teams or Zoom, assignment feedback, and instructor office hours. Review the statements below so that you understand the expectations for communication.

As a student at Gulf Coast State College, you are expected to:

- **Adhere to Course Guidelines:** Follow the guidelines detailed in the course syllabus, along with any additional instructions provided by the instructor. This includes understanding and complying with the course objectives, grading criteria, and academic policies.
- **Maintain Regular Contact:** Keep in touch with your instructor and classmates via your GCSC email or other designated communication channels. Regular contact helps clarify doubts, share ideas, and foster a collaborative learning environment.
- **Active Participation:** Engage actively in class discussions and submit assignments on time. Your active participation is crucial for your academic success and contributes to a vibrant learning community.

As your instructor, my commitment to you is to:

- **Provide Timely Feedback:** I will review and provide feedback on your assignments and submissions promptly. My goal is to help you understand your strengths and areas for improvement, which is crucial for your academic growth.
- **Respond Via Canvas Inbox:** I will respond to your emails or messages within 24-48 hours (excluding weekends), unless otherwise noted. I understand the importance of clear and timely communication in addressing your questions and concerns.
- **Post Regular Announcements:** To keep you updated and help you manage your time effectively, I will send out weekly reminders via announcements. These reminders will include important dates, upcoming assignments, and any changes to the course schedule.
- **Maintain Weekly Office Hours:** I will maintain regular weekly office hours, but I can also be available by appointment. This is to ensure I'm available for any questions or concerns that may come up during the week.

Course Schedule

Dates	Module	Description
Aug 17, 2026	1	Classroom Orientation
Aug 24, 2026	2	Chapter 7: Medical Terminology Chapter 8: Anatomy and Physiology
Aug 31, 2026	3	Chapter 9: Pathophysiology Chapter 13: Principles of Pharmacology

Sep 8, 2026	4	Chapter 14: Medication Administration Chapter 15: Emergency Medications
Sep 14, 2026	5	Chapter 16: Airway Management Chapter 11: Patient Assessment
Sep 21, 2026	6	EMS Medication Math Chapter 5: Communications Chapter 6: Documentation
Sep 28, 2026	7	Chapter 17: Respiratory Emergencies Chapter 4: Medical, Legal, and Ethical Issues
Oct 5, 2026	8	Chapter 18: Cardiovascular Emergencies Part I ACLS Pharmacology
Oct 12, 2026	9	Chapter 18: Cardiovascular Emergencies Part I ACLS Pharmacology
Oct 19, 2026	10	R-CAT/EMS Pharmacology Drip Calculations Chapter 18: Cardiovascular Emergencies Part III
Oct 26, 2026	11	Chapter 19: Neurologic Emergencies ACS 12-Lead ECG
Nov 2, 2026	12	Chapter 21: Abdominal and Gastrointestinal Emergencies Chapter 40: Responding to the Field Code Chapter 41: Management and Resuscitation of the Critical Patient
Nov 9, 2026	13	Advanced Cardiac Life Support (ACLS)
Nov 16, 2026	14	Chapter 22: Genitourinary and Renal Emergencies
Nov 23, 2026	15	Comprehensive Exam Review
Dec 4-10, 2026	16	Comprehensive Final Exam

Grading

GCSC Grading Scale

All grades will be posted in the student grade book in Canvas and will be assigned according to the following scale:

A	90%-100%
B	80%-89%
C	70%-79%
D	60%-69%
F	59% and below

Calculation of Grades

Unit Exams	60%
Homework/Assignments	15%
Comprehensive Final Exam	25%
Total:	100%

*Must achieve a 75% or better on all exams

Incomplete Grades

An Incomplete ("I") grade may be assigned only in cases of documented illness, emergency, or other extenuating circumstances that prevent a student from completing course requirements. Approval is at the discretion of the instructor and EMS Program Coordinator. All remaining coursework must be completed within the timeframe established by Gulf Coast State College; otherwise, the Incomplete grade will convert to the appropriate final grade based on work completed.

Course Policies

Accessibility Statement

Gulf Coast State College supports an inclusive learning environment for all students. If there are aspects of the instruction or design of this course that hinder your full participation, reasonable accommodations can be arranged. Prior to receiving accommodations, you must register with Student Accessibility Resources. Appropriate academic accommodations will be determined based on the documented needs of the student. Please visit [GCSC's Student Accessibility Resource \(SAR\) webpage](#) to learn more. For information regarding the registration process, email sar@gulfcoast.edu or call 850-747-3243.

Attendance Policy

Regular class attendance and participation are significant factors that help to promote success in college. Students are expected to attend all class meetings of all courses for which they are registered.

You are expected to know the instructor's specific attendance policy, as stated in the syllabus for each course. In the event of absence, you should contact your instructor as soon as possible to indicate the reason and to inquire whether make-up work is possible. (Make-up work is offered solely at the discretion of your professor.)

If your absences in a class become excessive, as stated in the course syllabus, your professor may contact you, indicating that further absence may result in your withdrawal from the course. Your professor can withdraw you from a course for excessive absences without your permission.

Instructors will monitor attendance at the beginning of each semester. If you are not in attendance during this period, you may be withdrawn from the course. You will be financially responsible for the course and a "W or NS" will appear on your transcript. Withdrawal from a course may also have implications for financial aid.

Make-Up Work Policy

Students are expected to complete all examinations, assignments, and coursework by the scheduled due dates. Make-up work may be permitted only for excused absences due to illness, emergency, or other circumstances approved by the instructor. It is the student's responsibility to

notify the instructor and arrange for completion of missed work within the timeframe established by the course instructor. Failure to complete make-up work by the designated deadline may result in a grade of zero for the missed assignment or examination.

Withdrawal Policy

Two withdrawals are permitted per credit course. After that, a grade will be assigned. Please be concerned about withdrawals. When admitting students into certain programs, universities may calculate withdrawals as grades. It is your responsibility to verify the effects of enrollment and/or withdrawal upon your financial assistance (financial aid, scholarships, grants, etc.). There are two kinds of withdrawals---student and administrative.

- *Student Withdrawal (W1)* - Students wishing to withdraw must complete the online Student Withdrawal Form before the scheduled withdrawal deadline as published in the College catalog. Student withdrawals initiated prior to the scheduled withdrawal deadline will be recorded as a grade of "W." The withdrawal deadline for an off-term or condensed term is one week after midterm.
- *Administrative Withdrawal (W2)* – A faculty member may withdraw a student up to the published withdrawal deadline for violation of the class attendance policy in which case the student will receive a grade of "W." The withdrawal deadline for an off-term or condensed term is one week after midterm.

Students cannot withdraw from developmental studies courses (college-preparatory classes) after the drop/add period without written permission from their instructor and/or their academic advisor.

Academic Integrity

Honest participation in academic endeavors fosters an environment in which optimal learning can take place and is consistent with the college's mission. Academic misconduct, including cheating or plagiarism, is destructive to the spirit of an educational environment. GCSC professors report every instance of student academic misconduct to the college for inclusion on the student's records.

Most course syllabi include an academic honesty policy and the consequences for violating this policy. Familiarize yourself with course policies regarding authorized or unauthorized use of AI to avoid the pitfalls of academic dishonesty.

The following definitions will apply:

"Cheating"

includes but is not limited to use of any unauthorized assistance in taking quizzes, tests, or examinations; dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; the acquisition without permission of tests or other academic materials belonging to a member of the College's faculty.

"Plagiarism"

includes, but is not limited to, the use by paraphrase or direct quotation of the published or unpublished work of another person without full and clear acknowledgment as well as the purchase of papers or projects. It can also include overuse of an editing program like Grammarly or submitting work written by an Artificial Intelligence (AI) generator like ChatGPT. Make certain to consult your course syllabi for your instructor's guidelines of AI material.

"Self-plagiarism"

occurs when a student submits the same or considerably similar document to fulfill requirements in different classes. For example, if a student submits a term paper in Religion they originally wrote for an English class, this is self-plagiarism. Once a paper receives a grade in one class, it cannot be submitted again for another class.

"Generative Artificial Intelligence (AI)"

is technology that uses machine learning to create new content, such as text, images or code, based on user input. These systems are trained on vast amounts of data, including large language models and image or code generators. Common examples include ChatGPT, GitHub, Copilot, Google Gemini, Perplexity, and the Grammarly AI function.

Sanctions for incidences of academic misconduct, depending on the severity of the incidence and/or its repetition, may range from receiving an F grade (or 0) for the test, assignment, or activity, to failure of the course, to suspension or dismissal from the college.

Classroom Recording

In accordance with federal and state privacy laws, students may record class lectures for their own personal educational use, in connection with a complaint to the college, or as evidence in internal or external legal proceedings. Students may not publish or upload the recordings or any components thereof without the knowledge and written permission of the faculty member. Failure to obtain permission to publish could lead to the students' having to pay damages, attorney fees, and court costs. For more information about what can be recorded, please see the guidelines in the GCSC Student Handbook.

Generative Artificial Intelligence (AI) Policy

The use of generative AI tools in academic work requires clear guidelines to maintain academic integrity. Please review the policy selected for this course regarding the use of AI tools such as ChatGPT, Copilot, Grammarly's AI features, and similar platforms for assignments, research, and other coursework.

See the student handbook for further information. Students with questions about acceptable use should consult their instructor.

Prohibited Use of AI

The use of AI-generated content is strictly prohibited in all assignments, coursework, and throughout all stages of the work process, such as brainstorming, outlining, or drafting. This includes but is not limited to, tools such as ChatGPT, Copilot, and Grammarly's AI function. Use of AI tools will be treated as a violation of academic integrity and may result in penalties,

including a zero on the assignment and additional disciplinary actions as outlined in the college's academic integrity policy.

Anti-Discrimination Policy

Gulf Coast State College does not discriminate against any person in its programs, activities, policies or procedures on the basis of race, ethnicity, color, national origin, marital status, religion, age, gender, sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status. All questions or inquiries regarding compliance with laws relating to non-discrimination and all complaints regarding sexual misconduct or discrimination may be directed to Amanda Reed, Executive Director of Human Resources/Title II/504/Title IX Coordinator and Employment Equity Officer, Gulf Coast State College, 5230 W. US Highway 98, Panama City, FL 32401; 850-769-1551, ext. 3516. Rules, policies, fees, and courses described in this catalog are subject to change without notice.

Syllabus Policy

For any syllabus posted prior to the beginning of the term, the instructor reserves the right to make minor changes prior to or during the term. The instructor will notify students via e-mail or Canvas announcement when changes are made in the requirements and/or grading of the course.

Student Support Resources

Gulf Coast State College is committed to providing you with the resources you need for success as a student and beyond. View all the academic and student support resources provided at GCSC on the [Student Services web page](#).

Course Technology & Support

To successfully participate in this online course, students must have basic computer and digital information literacy skills and meet the following technology requirements:

- **Computer:** Up-to-date web browser that supports the Canvas learning management system; please refer to the system requirements for compatibility and information on using the Canvas app on mobile devices.
- **Internet Speed:** Minimum bandwidth of 8 Mbps upload/download speed to effectively engage in online activities and access multimedia.
- **Office 365 software:** Available for free download through GCSC Information Technology Services (ITS).

If you need technical support, contact the ITS Help Desk, available 24/7 at (850) 913-3303.
