Course Information

This course examines claims concerning ancient art, civilizations, and monuments, and mysterious archaeological sites. Topics include Stonehenge, Easter Island, Atlantis, the Nazca Lines, various pyramids, the Maya civilization, and other archaeological “mysteries.” Emphasis will be placed on understanding how and why pseudoscientific beliefs proliferate and on understanding the real archaeological histories of ancient peoples.

Student Learning Outcomes:

The student learning outcomes listed below will be measured via completion at the satisfactory level (60% or above) on the activities listed on this page under “Assignments and Grading”:

- Identify pseudoscientific theories of ancient art, monuments, and mysterious archaeological sites.
- Analyze how the human past has been presented in the media.
- Recall the main methods of data collection in archaeology and how they can be used to refute pseudoscientific claims and critique narratives that privilege “alien” explanations for the achievements of Indigenous people.

Course Materials & Resources:

Week 1: [Believe in Atlantis? These archaeologists want to win you back to science](#)

Week 2: [Ancient Giants](#)

Week 3: [Monsters, the Scientific Revolution, and Physica Curiosa](#)

Week 4: [Lost Tribes: Indigenous People and the Social Imaginary](#)

Week 5: [Atlantis: How Plato’s Story Corresponds to Real History](#)

Week 6: [Roswell, Sacred Shrine of UFO Enthusiasts](#)

Week 7: [What Do Monuments Reveal About Their Makers?](#)

Week 8: [What Ended This Hub of Ancient Maya Life?](#)

Week 9: [Introduction: Monsters, Anthropology, and Monster Studies](#)

Week 10: [Paluxy Man -- The Creationist Piltdown](#)

Delivery Method:

This course meets face-to-face. Course material, assignments, and announcements may be offered via Canvas as a supplemental approach to learning at the discretion of the instructor. Please make sure that you have access to a computer with a webcam and internet service, in the event that a change in course delivery is needed.

Student Expectations

In this course, communication and feedback will occur through various channels, including GCSC email, Canvas Inbox, Canvas Announcements, Canvas Discussions, Microsoft Teams or Zoom, assignment

feedback, and instructor office hours. Review the statements below so that you understand the expectations for communication.

As a student at Gulf Coast State College, you are expected to:

- **Adhere to Course Guidelines:** Follow the guidelines detailed in the course syllabus, along with any additional instructions provided by the instructor. This includes understanding and complying with the course objectives, grading criteria, and academic policies.
- **Maintain Regular Contact:** Keep in touch with your instructor and classmates via your GCSC email or other designated communication channels. Regular contact helps clarify doubts, share ideas, and foster a collaborative learning environment.
- **Active Participation:** Engage actively in class discussions and submit assignments on time. Your active participation is crucial for your academic success and contributes to a vibrant learning community.

As your instructor, my commitment to you is to:

- **Provide Timely Feedback:** I will review and provide feedback on your assignments and submissions promptly. My goal is to help you understand your strengths and areas for improvement, which is crucial for your academic growth.
- **Respond Via Canvas Inbox:** I will respond to your emails or messages within 24-48 hours (excluding weekends), unless otherwise noted. I understand the importance of clear and timely communication in addressing your questions and concerns.
- **Post Regular Announcements:** To keep you updated and help you manage your time effectively, I will send out weekly reminders via announcements. These reminders will include important dates, upcoming assignments, and any changes to the course schedule.
- **Maintain Weekly Office Hours:** I will maintain regular weekly office hours, but I can also be available by appointment. This is to ensure I'm available for any questions or concerns that may come up during the week.

Course Schedule

Week 1

August 18	Introduction/Course overview
August 20	Continued

Week 2

August 25	Science, Pseudoscience, and Fantastic Archaeology
August 27	Blog 1 and Quiz 1

Week 3

September 1	GIANTS!
September 3	Blog 2 and Quiz 2

Week 4

September 8	Fabulous Creatures and the Missing Link
September 10	Blog 3 and Quiz 3

Week 5	September 15 September 17	Workshop/Lab Continued
Week 6	September 22 September 24	Lost Tribes Blog 4 and Quiz 4
Week 7	September 29 October 1	Sunken Continents Blog 5 and Quiz 5
Week 8	October 6 October 8	Ancient Astronauts Blog 6 and Quiz 6
Week 9	October 13 October 15	Mysterious Monuments Blog 7 and Quiz 7
**Last day to withdraw with a "W"-October 14, 2026		
Week 10	October 20 October 22	The Marvelous Maya Blog 8 and Quiz 8
Week 11	October 27 October 29	Anthropology of Monsters Blog 9 and Quiz 9
Week 12	November 3 November 5	Archaeology of Future Past Blog 10 and Quiz 10
Week 13	November 10 November 12	Workshop/Lab Continued
Week 14	November 17 November 19	Workshop/Lab Continued
Week 15	November 24 November 26	TBA Thanksgiving Holiday-College Closed
Week 16	December 1	Workshop/Lab

December 3

Continued

Finals Week

December 8

Final Exam (Tuesday)

Grading

GCSC Grading Scale

A = 90-100; B = 80-89; C = 70-79; D = 60-69; F = 0-59

Calculation of Grades

Quizzes:

20%

You are required to complete 10 online weekly quizzes (10 x 2 points=20%) based on the assigned material. In order to receive full credit, quizzes must be completed by the weekly deadline. Quizzes submitted past the deadline will receive a 25% deduction.

Course Blog:

40%

You will be required to post a summary of your weekly lab and reading assignments in a course blog through Blogger.com (ten blog assignments). Assignments submitted past the deadline will receive a 25% deduction.

Attendance:

10%

You can miss up to four days of class. 2 points will be deducted from each missed class after this. If you miss 9 or more classes, you will receive 0% for this component of the grade.

Class Project:

10%

Create and present a final course project to the class. Additional information will be provided in class. Be sure not to miss this!

Final Exam:

10%

A cumulative final exam will be given that will include a combination of multiple-choice and true or false questions. The exam must be completed by the scheduled deadline.

Extra Credit:

Perfect Attendance=2 points

The instructor will calculate all grades based on the above weights/points. Canvas grades may be inaccurate and will not be relied upon by the instructor. Utilize Canvas grades to simply keep track of assignments completed.

Incomplete Grades

Grades of Incomplete in any Social Sciences course can only be assigned to students who have an emergency arise during the last two weeks of the course.

To receive an Incomplete, students must:

- Submit a written request to the instructor before the last face-to-face class meeting. For online courses, a written Incomplete request must be received no later than the week before the Final Exam period begins.
- Have completed no less than 60 percent of the course requirements and be passing the course at the time the request for an Incomplete is submitted.

Important Note: The Incomplete option provides 30 days from the date grades are due to make up any missing work; if work is not submitted during this period, the grade will automatically change to an "F."

Course Policies

Accessibility Statement

Gulf Coast State College supports an inclusive learning environment for all students. If there are aspects of the instruction or design of this course that hinder your full participation, reasonable accommodations can be arranged. Prior to receiving accommodations, you must register with Student Accessibility Resources. Appropriate academic accommodations will be determined based on the documented needs of the student. Please visit [GCSC's Student Accessibility Resource \(SAR\) webpage](#) to learn more. For information regarding the registration process, email sar@gulfcoast.edu or call 850-747-3243.

Attendance Policy

Regular class attendance and participation are significant factors that help to promote success in college. Students are expected to attend all class meetings of all courses for which they are registered.

You are expected to know the instructor's specific attendance policy, as stated in the syllabus for each course. In the event of absence, you should contact your instructor as soon as possible to indicate the reason and to inquire whether make-up work is possible. (Make-up work is offered solely at the discretion of your professor.)

If your absences in a class become excessive, as stated in the course syllabus, your professor may contact you, indicating that further absence may result in your withdrawal from the course. Your professor can withdraw you from a course for excessive absences without your permission.

Instructors will monitor attendance at the beginning of each semester. If you are not in attendance during this period, you may be withdrawn from the course. You will be financially responsible for the course, and a "W or NS" will appear on your transcript. Withdrawal from a course may also have implications for financial aid.

Make-Up Work Policy

Late assignments are accepted with a 25% deduction. Please check the course schedule for the deadline for late work.

Withdrawal Policy

Two withdrawals are permitted per credit course. After that, a grade will be assigned. Please be concerned about withdrawals. When admitting students into certain programs, universities may calculate withdrawals as grades. It is your responsibility to verify the effects of enrollment and/or withdrawal upon your financial assistance (financial aid, scholarships, grants, etc.). There are two kinds of withdrawals---student and administrative.

- *Student Withdrawal (W1)* - Students wishing to withdraw must complete the online Student Withdrawal Form before the scheduled withdrawal deadline as published in the College catalog. Student withdrawals initiated prior to the scheduled withdrawal deadline will be recorded as a grade of "W." The withdrawal deadline for an off-term or condensed term is one week after midterm.
- *Administrative Withdrawal (W2)* – A faculty member may withdraw a student up to the published withdrawal deadline for violation of the class attendance policy, in which case the student will receive a grade of "W." The withdrawal deadline for an off-term or condensed term is one week after midterm.

Students cannot withdraw from developmental studies courses (college-preparatory classes) after the drop/add period without written permission from their instructor and/or their academic advisor.

Academic Integrity

Honest participation in academic endeavors fosters an environment in which optimal learning can take place and is consistent with the college's mission. Academic misconduct, including cheating or plagiarism, is destructive to the spirit of an educational environment. GCSC professors report every instance of student academic misconduct to the college for inclusion in the student's records. Most course syllabi include an academic honesty policy and the consequences for violating this policy. Familiarize yourself with course policies regarding authorized or unauthorized use of AI to avoid the pitfalls of academic dishonesty.

The following definitions will apply:

"Cheating"

includes but is not limited to the use of any unauthorized assistance in taking quizzes, tests, or examinations; dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; the acquisition without permission of tests or other academic materials belonging to a member of the College's faculty.

"Plagiarism"

includes, but is not limited to, the use by paraphrase or direct quotation of the published or unpublished work of another person without full and clear acknowledgment, as well as the purchase of papers or projects. It can also include overuse of an editing program like Grammarly or submitting work written by an Artificial Intelligence (AI) generator like ChatGPT. Make certain to consult your course syllabi for your instructor's guidelines on AI material.

"Self-plagiarism"

occurs when a student submits the same or a considerably similar document to fulfill requirements in different classes. For example, if a student submits a term paper in Religion that they originally wrote for an English class, this is self-plagiarism. Once a paper receives a grade in one class, it cannot be submitted again for another class.

"Generative Artificial Intelligence (AI)"

is technology that uses machine learning to create new content, such as text, images, or code, based on user input. These systems are trained on vast amounts of data, including large language models and image or code generators. Common examples include ChatGPT, GitHub, Copilot, Google Gemini, Perplexity, and the Grammarly AI function.

Sanctions for incidents of academic misconduct, depending on the severity of the incident and/or its repetition, may range from receiving an F grade (or 0) for the test, assignment, or activity to failure of the course to suspension or dismissal from the college.

Classroom Recording

In accordance with federal and state privacy laws, students may record class lectures for their own personal educational use, in connection with a complaint to the college, or as evidence in internal or external legal proceedings. Students may not publish or upload the recordings or any components thereof without the knowledge and written permission of the faculty member. Failure to obtain permission to publish could lead to the students having to pay damages, attorney fees, and court costs. For more information about what can be recorded, please see the guidelines in the GCSC Student Handbook.

Limited Assistive Artificial Intelligence (AI) Policy

The use of generative AI tools in academic work requires clear guidelines to maintain academic integrity. Please review the policy selected for this course regarding the use of AI tools such as ChatGPT, Copilot, Grammarly's AI features, and similar platforms for assignments, research, and other coursework.

See the student handbook for further information. Students with questions about acceptable use should consult their instructor.

Limited Assistive Use Only

Students may use basic assistive technologies for spelling, grammar, and formatting (e.g., PaperRater or SpellCheckPLUS); however, the use of AI tools (e.g., ChatGPT, Copilot, Grammarly's AI function, etc.) for generating, rewriting, or enhancing content is not permitted. All work must reflect the student's original ideas and writing. Representing work created by AI as one's own is a violation of academic integrity and may result in penalties, including a zero on the assignment and additional disciplinary actions as outlined in the college's academic integrity policy.

Anti-Discrimination Policy

Gulf Coast State College does not discriminate against any person in its programs, activities, policies or procedures on the basis of race, ethnicity, color, national origin, marital status, religion, age, gender,

sex, pregnancy, sexual orientation, gender identity, genetic information, disability, or veteran status. All questions or inquiries regarding compliance with laws relating to non-discrimination and all complaints regarding sexual misconduct or discrimination may be directed to Amanda Reed, Executive Director of Human Resources/Title II/504/Title IX Coordinator and Employment Equity Officer, Gulf Coast State College, 5230 W. US Highway 98, Panama City, FL 32401; 850-769-1551, ext. 3516. Rules, policies, fees, and courses described in this catalog are subject to change without notice.

Syllabus Policy

For any syllabus posted prior to the beginning of the term, the instructor reserves the right to make minor changes prior to or during the term. The instructor will notify students via e-mail or Canvas announcement when changes are made in the requirements and/or grading of the course.

Student Support Resources

Gulf Coast State College is committed to providing you with the resources you need for success as a student and beyond. View all the academic and student support resources provided at GCSC on the [Student Services web page](#).

Course Technology & Support

To successfully participate in this online course, students must have basic computer and digital information literacy skills and meet the following technology requirements:

- **Computer:** Up-to-date web browser that supports the Canvas learning management system; please refer to the system requirements for compatibility and information on using the Canvas app on mobile devices.
- **Internet Speed:** Minimum bandwidth of 8 Mbps upload/download speed to effectively engage in online activities and access multimedia.
- **Office 365 software:** Available for free download through GCSC Information Technology Services (ITS).

If you need technical support, contact the ITS Help Desk, available 24/7 at (850) 913-3303.
