**Instructions:**

*You did not report parental information on your **2017-2018** Free Application for Federal Student Aid (FAFSA) because you indicated that you are only applying for an Unsubsidized Stafford loan. Students whose parent(s) refuse(s) to support them must submit documentation that their parent(s) do(es) not and will not provide any financial support to them and refuse(s) to provide information to allow the student to submit an error free FAFSA. Please submit the documentation described in Section I along with the certification in Section II to the Financial Aid Office in order to be considered for Federal Direct Unsubsidized loan only.*

**Section I: Letter & Supporting Documentation**

Please attach three signed / dated letters (one from you, one of your parents, and one from a third-party individual) detailing answers to the following questions. Also, please submit supporting documentation to substantiate the details of these statements.

- Is/are your parent(s) refusing to complete the **2017-2018** FAFSA?
- Has/have your parent(s) ended financial support for you?
- When did your parent(s) end financial support for you?
- Do expect to ever again receive financial support from your parent(s)?

**Section II: Certification**

I hereby certify that all the information contained in my Federal Direct Unsubsidized Loan Only request is true and complete. I have not knowingly or intentionally provided any false statements or fraudulent documentation. I understand that if I am found to have knowingly or intentionally given false or fraudulent statements and/or documentation, this appeal will be denied and my federal aid eligibility will be jeopardized.
